

# Lift Passenger Notification Form

PAL-C-FORM005 (Rev. 4)

Dec 22, 2017

<b>Passenger Name:</b>			
<b>Escort(s) Name(s):</b>			
<b>Flight # &amp; Departure:</b>		<b>Destination:</b>	

**Please read the following to the customer:**

We, at Perimeter Aviation, are committed to doing the very best to service our customer's needs. However, due to the limitation of the aircraft we operate, for your safety and ours, we are not permitted to perform a lift that would exceed 250 lbs. Please understand that if we are unable to safely lift you into or out of the aircraft, we will gladly assist in making arrangements that will be better suited to your needs.

**Considering this policy, can we provide you with a lift today?**  Yes  No \_\_\_\_\_

\* Passenger Initials

\* In accordance with the Perimeter Aviation LP lift Passenger Waiver of Liability and Assumption of Risk, by signing your initials you are waiving any and all rights of claims against Perimeter Aviation in the event of injury.

**Type of Wheelchair (select only one):**

<input type="checkbox"/> Manual	<input type="checkbox"/> Electric – 300 lbs	<input type="checkbox"/> NO Wheelchair*
---------------------------------	---	---

\*If NO wheelchair, include reason why:

**Other Important Information:** (Examples: Requires lift onto aircraft but not off; Straight-leg cast)

**Customer Service Agent:**

**Checking-in a Lift Passenger Procedure**

- Fill out the top portion of the form with the passenger's information, read Perimeter's lift policy and ask for the passenger to initial next to their answer.
- YWG or YTH:**
  - If the passenger is accepted for a lift, continue with checking in procedures. Write the specifications of the pre-board (for example, PB – lift – w/c to load) in Skyline under the manifest notes in the passenger file.
  - Write the pre-board information in the blue notes field on the flight the passenger is travelling on. Provide this completed form to the Manifestor/Aircraft Load Coordinator.
  - The Manifestor/Aircraft Load Coordinator is responsible to give the form to the Aircraft Load Coordinator for the flight crew.
- All other Stations:** Notify the Flight Crew of the lift and attach this form to the manifest for the pilot.
- If the passenger cannot be accepted for a lift, contact Commercial Operations to make alternate arrangements with the Customer Service Manager.

## Lift Passenger Waiver of Liability and Assumption of Risk

Read this waiver carefully before signing. It is important. It is a legally binding agreement and may have significant consequences for you.

### A. WAIVER OF LIABILITY

I \_\_\_\_\_, in my personal capacity and on behalf of my heirs, executors, administrators, legal representatives, assigns, and successors in interest agree as follows:

In consideration of being provided with a lift into and/or out of any aircraft owned or operated by Perimeter Aviation LP (the "Aircraft"):

I covenant not to take legal action against Perimeter Aviation LP or Exchange Income Corporation, or their respective affiliates, subsidiaries, successors, assigns, officers, directors, agents, and employees (collectively, "the Entities") and agree to waive and release any and all rights and claims I may have against the Entities arising out of or relating to being lifted into and/or out of the Aircraft. For greater certainty and clarity, I hereby acknowledge that this waiver of liability and assumption of risk document includes all activities necessary or incidental to being lifted into and/or out of the Aircraft including, but not limited to, transportation provided by the Entities to, from and during the lift, the boarding and disembarking of Aircraft and ground transportation, Aircraft takeoff, flight and landing, and exit from the Aircraft while airborne (collectively the "Lift").

This waiver includes any and all claims that I may have for injuries (including death), accident, illness and loss or damage of any kind (e.g. property loss) arising out of the Lift including, but not limited to, claims for negligence by the Entities. I acknowledge that this waiver of liabilities is in addition to, any other waiver(s) of liability that I agree, or have agreed, to provide in connection with my flight with Perimeter Aviation LP.

### B. ASSUMPTION OF RISK

I understand that my participation in the Lift is voluntary and done at my own risk. Such risks may include, but are not limited to, the risk of injury (including death), accident, illness and damage to myself, my property or the property of others. I represent to the Entities that I know of no physical or other limitations that should prevent me from safely being lifted into and/or out of the Aircraft.

**I VOLUNTARILY ASSUME ALL RISKS OF LOSS, DAMAGE (BOTH PERSONAL & PROPERTY), INJURY OR DEATH SUSTAINED WHILE BEING LIFTED INTO AND/OR OUT OF THE AIRCRAFT.**

### C. ACKNOWLEDGMENT

**I have carefully read this document and confirm that I understand that by signing my name below I am waiving important legal rights, including my right to sue, and that this waiver is binding on my successors and assigns, and any executor/administrator of my estate.**

I understand that I am assuming the risk of financial loss, bodily harm or death. I am signing the agreement freely and voluntarily. By my signature, and subject only to the exclusions referred to above, I intend the agreement to be a complete and unconditional release of liability, to the greatest extent allowed by law. I agree that this waiver and assumption of risk is intended to be as inclusive as permitted by the laws of the Province of Manitoba. This waiver and assumption of risk shall be governed by the laws of the Province of Manitoba. If any part of this document is deemed invalid, the balance shall remain in full legal force and effect.
